Monthly Luncheon Update

Important Notice:

After much consideration, discussion and research, it has become necessary to raise the price of our monthly luncheons to \$10.00 effective in September, 2018. The board voted to adjust the price at the monthly board meeting in May. Many different caterers have been working with the board to keep the costs of meals as low as possible but they have slowly been raising their prices per person and eliminating desserts and beverages in their quotes. We will continue to pursue the lowest price possible for food costs and maintain a high quality of luncheon menus. Thank you for your continued support and attendance at the luncheons.

Adaptive Recreation Program Sponsorship:

The Friends of Roswell Parks invite you to sponsor an individual for Roswell's Adaptive Recreation Programs.

9,900 people with disabilities live in North Fulton. Roswell is trying to expand adaptive programs and enhance the experience of recreation. These programs help individuals with developmental and physical disabilities. The average working American annually spends \$1,294 eating out for lunch. A \$100 donation is less than half what the average American spends monthly at restaurants. A donation will help an individual with disabilities.

If you are interested in making a financial contribution, please make checks payable to:
Friends of Roswell Parks, Inc
P.O. Box 1612
Roswell, GA 30077
